Re: Support of H.R. 1502 – ON TIME Act (Our Nation's Trade Infrastructure, Mobility and Efficiency Act)

Dear Congressman Calvert:

The City Council of the City of Canyon Lake supports legislation for H. R. 5102, ON TIME Act. We believe the fee that the bill proposes is needed to assure appropriate mitigations and efficiency of goods movement in this country.

Given the magnitude of goods movement and the benefits proposed in H.R. 5102, we feel that this is a necessary act and we thank you for introducing it.

Sincerely,

  
Carl Armbrust  
Mayor
