Chairman DeFazio and Ranking Graves:

I am requesting funding for the Temescal Canyon Road Widening Project (El Cerrito Segment) in the surface transportation reauthorization bill.

The entity to receive the funding is the Riverside County Transportation and Land Management Agency, located at 4080 Lemon Street, 3rd Floor, Riverside, CA 92502.

This funding would be used to widen the existing Temescal Canyon Road in Corona and the unincorporated area of Riverside County. This is the last remaining segment of Temescal Canyon Road that has not been widened to four lanes.

I certify that neither my immediate family nor I has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
