Chairwoman Cole and Ranking Member DeLauro:

I am requesting funding for the Real Time Information Center Project for the City of Corona in fiscal year 2025. The entity to receive the funding is the City of Corona, located at 400 S Vicentia Ave, Corona, California 92882. This funding would be used to update critical information technology infrastructure and create a Real Time Information Center for the Corona Police Department. The project is an appropriate use of taxpayer funds because it will improve the solvability of crimes, provide police officers with more accurate information when responding to crimes, and provide law enforcement with additional tools to locate offenders that pose a danger to public safety.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
