Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the construction of the Corona Trails Improvement Project in fiscal year 2025. The entity to receive the funding is the City of Corona, located at 400 S. Vicentia Avenue, Corona, California 92882. The funding would be used for construction of trail improvements, amenities, and new trails citywide and adjacent to the Cleveland National Forest. The project is an appropriate use of taxpayer funds as it would include the construction of trails and trailheads, acquiring easements, surfacing for the trails, water and sewer connectivity, and electrical connections for lighting, signage, and kiosks.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
