The Honorable Rosa DeLauro

House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the construction of the Drinking Water Sustainability Phase 1 Project for the Elsinore Valley Municipal Water District (EVMWD) in fiscal year 2025. The entity to receive the funding is the Elsinore Valley Municipal Water District, located at 31315 Chaney St, Lake Elsinore, CA 92530. The funding would be used to rehabilitate the 40-year-old Corydon Well located in the City of Wildomar. The project is an appropriate use of taxpayer funds because it would create an additional 2,420 AFY, reduce dependence on imported water, and help keep water costs affordable for EVMWD customers.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
