Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Indian Canyon Flood Mitigation Project in fiscal year 2025. The entity to receive the funding is the Coachella Valley Association of Governments, located at 74-199 El Paseo Suite 100, Palm Desert, California 92260. The funding would be used for the design and engineering of bridge construction at Indian Canyon Drive. The project is an appropriate use of taxpayer funds because it would reduce road closures attributed to flooding and blow sands as well as improve traffic congestion, reduce emissions, and increase public health and safety.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
