Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the McCall Boulevard/I-215 Interchange Project in fiscal year 2025. The entity to receive the funding is the City of Menifee, located at 29844 Haun Rd, Menifee, California 92586. The funding would be used for right-of-way acquisition for the McCall Boulevard/I-215 Interchange Project. The project is an appropriate use of taxpayer funds because it would increase public safety, reduce delays, improve traffic operations, reduce emissions, and enhance non-motorized and pedestrian features.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
