Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the construction of the Quail Valley Septic to Sewer Conversion Project for the Eastern Municipal Water District in fiscal year 2025. The entity to receive the funding is the Eastern Municipal Water District, located at 2270 Trumble Road, Perris, CA 92570. The funding would be used for a septic-to-sewer conversion project in Quail Valley. The project is an appropriate use of taxpayer funds because it would alleviate water and sewage backup malfunctions and provide low-income families with a more efficient and reliable sewage system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
