Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Coachella Valley Water District PFAS Project for the Coachella Valley Water District in fiscal year 2027. The entity to receive the funding is the Coachella Valley Water District, located at 75525 Hovley Lane East, Palm Desert, CA 92211. The funding would be used to purchase advanced laboratory equipment to perform PFAS monitoring at their Palm Desert Laboratory. The project is an appropriate use of taxpayer funds because the project would enable the water district to rapidly generate test results, ensure regulatory compliance, and maintain high-quality water supplies for Coachella Valley ratepayers.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
