Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Corona's Real Time Information Center Enhancement Project for the City of Corona in fiscal year 2027. The entity to receive funding for this project is the City of Corona, located at 400 S. Vicentia Avenue, Corona, CA 92882. The funding would be used to upgrade the Corona Police Department real time information center by acquiring and expanding security camera coverage throughout the city, purchasing new software to manage these cameras, and upgrading operator workstations. The project is an appropriate use of taxpayer funds because it will enhance law enforcement effectiveness, improve intelligence sharing, and improve the police department's ability to work and coordinate with federal agencies, including the Drug Enforcement Administration, the Los Angeles High Intensity Drug Trafficking Area, and the FBI Joint Terrorism Task Force.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
