Chairman Cole and Ranking Member DeLauro:

I am requesting funding for an CV Sync – Rancho Mirage Interconnect Improvements Phase II Project for fiscal year 2027. The entity to receive the funding is the Coachella Valley Association of Governments, located at 74-199 EL Paseo Suite 100, Palm Desert, CA 92260. The funding would be used to implement an Intelligent Transportation System (ITS) across transportation corridors within the City of Rancho Mirage. The project is an appropriate use of taxpayer funds because it would improve operations of the traffic signal network, significantly enhancing traffic management, safety, and vehicle flow throughout Rancho Mirage.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
