Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Elsinore Valley Municipal Water District Drinking Water Sustainability Project in fiscal year 2027. The entity to receive the funding is the Elsinore Valley Municipal Water District, located at 31315 Chaney Street, Lake Elsinore, CA 92530. The funding would be used to rehabilitate the 40-year-old Corydon Well in the City of Wildomar to benefit 164,000 people and 3,767 institutional, commercial, and industrial users in southwestern Riverside County and eastern Orange County. The project is an appropriate use of taxpayer funds because this project would sustainably increase safe, potable drinking water for its serviced area.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
