Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a Regional Flood Mitigation Project in fiscal year 2024. The entity to receive the funding is the City of Palm Springs, located at 3200 E Tahquitz Canyon Way, Palm Springs, California 92262. The funding would be for project design and environmental review. The project is an appropriate use of taxpayer funds because it would improve several critical roads and bridges that are frequently closed due to flooding and blow sands.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
