The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Camino Del Norte Infrastructure Improvements Project in fiscal year 2024. The entity to receive the funding is the City of Lake Elsinore, located at 130 S Main St, Lake Elsinore, California 92530. The funding would be used for the construction and installation of infrastructure along the roadway including water, sewer, electrical, gas, and lighting and pedestrian improvements. The project is an appropriate use of taxpayer funds because it would be an economic development catalyst for one of Southern California's fastest growing cities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
