Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the I-10 Cherry Valley Interchange Project in fiscal year 2024. The entity to receive the funding is the City of Calimesa, located at 908 Park Avenue Calimesa, California 92320. The funding would be used for a Right of Way acquisition necessary to plan, design, and construct the interchange improvements at I-10 and Cherry Valley Boulevard. The project is an appropriate use of taxpayer funds because this project would help to alleviate traffic congestion and improve the safety and reliability of the heavily trafficked interchange.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
