Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a Homeless Facility Construction Project in fiscal year 2024. The entity to receive the funding is the City of Lake Elsinore, located at 130 S Main St, Lake Elsinore, CA 92530. The funding would be used to construct a new homeless facility to house sixty residents made up of a combination of twenty studios and forty cubicle-style bedrooms. The facility will offer a wide range of supportive services with the goal of leading residents to permanent housing. The project is an appropriate use of taxpayer funds because it would provide much-needed housing and homeless-related services to the City's significant homeless population, helping to restore the luster and economic vitality of the downtown area. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
