The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a County Line Road Improvement Project in fiscal year 2024. The entity to receive the funding is the City of Calimesa, located at 908 Park Avenue Calimesa, CA 92320. The funding would be used for the construction of street improvements along County Line Road including road widening round-about construction, traffic signal replacement, and addressing drainage system deficiencies. The project is an appropriate use of taxpayer funds because it would improve a vital roadway within the City of Calimesa allowing for traffic mitigation, increased safety and reliability of transportation corridors, and improved long-term economic development.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
