The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the French Valley Airport Contract Air Traffic Control Tower Construction Phase II Project in fiscal year 2027. The entity to receive the funding is the Riverside County Aviation Department, located at 4080 Lemon Street, 14th Floor, Riverside, CA 92501. The funding would be used for the construction of an air traffic control tower for the French Valley Airport. The project is an appropriate use of taxpayer funds because this project would allow aircraft movements to be actively managed, improving safety by reducing the risk of runway incursions, ground conflicts, and midair collisions.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
