The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for an Inline Baggage Handling System Improvement Project in fiscal year 2026. The entity to receive the funding is the City of Palm Springs, located at 3200 E Tahquitz Canyon Way, Palm Springs, CA 92262. The funding would be used to construct a 10,000 square foot inline baggage handling system at Palm Springs Airport. The project is an appropriate use of taxpayer funds because it would streamline the baggage handling processes, improve the efficiency of the baggage claim system, and increase the safety and security of the airport and its customers.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
