The Honorable Rosa DeLauro

House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Highway 111 Safety Improvement Project in fiscal year 2027. The entity to receive the funding is the City of Indian Wells, located at 44950 Eldorado Drive, Indian Wells, CA 92210. The funding would be used to address pedestrian and motorway deficiencies along Highway 111. The project is an appropriate use of taxpayer funds because this project would target the intersections and segments of Highway 111 where accidents are most frequent, thereby ensuring the safety of both motorists and pedestrians.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
