The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Interstate 10/Singleton Road Interchange Project in fiscal year 2026. The entity to receive the funding is the City of Calimesa, located at 908 Park Avenue, Calimesa, CA 92320. The funding would be used for the construction of missing ramps, traffic signals, ramp metering, and realignment of an adjacent frontage road to comply with Federal Highway Administration intersection spacing requirements. The project is an appropriate use of taxpayer funds because it would increase public safety, reduce vehicle emissions, improve circulation and congestion, reduce impact on Interstate 10, facilitate economic activity, and provide multimodal facilities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
