The Honorable Rosa DeLauro

Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lake Elsinore Nichols Road Bridge Project in fiscal year 2027. The entity to receive the funding is the City of Lake Elsinore, located at 130 South Main Street Lake Elsinore, CA 92530. The funding would be used for the construction of a durable and modern bridge along Nichols Road. The project is an appropriate use of taxpayer funds because this project would improve traffic flow, increase connectivity, and provide safer access for residents and businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
