The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations

Washington, D.C. 20515

Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Recycled Water Distribution and Transmission Mainline Project in fiscal year 2026. The entity to receive the funding is the City of Norco, 2870 Clark Ave., Norco, CA 92860. The funding would be used to promote water reuse by reducing reliance on the potable water supply. The project is an appropriate use of taxpayer funds because this project would develop a critical mainline infrastructure to help deliver recycled water to the City of Norco and nearby cities, including the nearby U.S. Navy base.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
