The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a Recycled Water Booster Station and Reservoir Project for the City of Norco in fiscal year 2024. The entity to receive the funding is the City of Norco, located at 2870 Clark Avenue, CA 92860. The funding would be used to construct a pump station for recycled water. The project is an appropriate use of taxpayer funds because the project would reduce potable water demands and supplies recycled water to schools, businesses, and the Naval Surface Warfare Center in Norco, CA.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
