Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the SilverLakes Causeway Trail Connectivity & ADA Improvement Project in fiscal year 2027. The entity to receive the funding is the City of Norco, located at 2870 Clark Ave, Norco, CA 92860. The funding would be used to provide ADA-compliant improvements beginning at Eastvale Community Park, traveling beneath the Hamner Avenue Bridge, and extending into SilverLakes Sports Park and the Santa Ana River corridor. The project is an appropriate use of taxpayer funds because this project would provide trail upgrades and ADA improvements into compliance with current standards.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ken Calvert".
